R7 A12: Necessity and not luxury: Housing as a cornerstone of social justice

Proposers DWARS

Motion text

Insert from line 40 to 42:

governments and international organisations to ensure that the right to housing is recognized in various international agreements and national frameworks. FYEG will continue to act as an endorser for affordable stable housing and keep those in power accountable. We will additionally emphasise the need for proactive policies and activism to

Reason

International agreements and national frameworks do need to be enforced. We need advocacy for this.
