R7 A17: Necessity and not luxury: Housing as a cornerstone of social justice

Proposers Grønn Ungdom

Motion text

Insert after line 132:

- Explore the possibility of legalising squatting/house occupation after certain criteria have been met.

Reason

Spain and other countries have legalised squatting after a certain period of time. It is possible to have stricter rules than Spain has, but for speculators to sit on empty premises for years just to make money while people suffer in the cold and rain and misery on the street outside is inhumane.
