R6 A9: United in Diversity: Safeguarding Europe's Linguistic Heritage

Proposers Grønn Ungdom

Motion text

Insert from line 94 to 95:

done so yet, to fully ratify the European Charter for Regional or Minority Languages.

-That the Kven language spoken by the Kven people be reckognized as a minority language within the EU and thus be strengthened

Reason

For political and historical reasons, Kven received the status of a minority language in Norway, but it hasn't received this status on a European level. This could contribute to a strengthening of the language.
