R2 A12: Bans Off Our Bodies: Protecting Bodily Autonomy and Reproductive Justice

Proposers Les Jeunes Ecologistes

Motion text

Insert after line 61:

7. European governments must shut down practice of forced sterilization. They must also legally and effectively provide all the reproductive rights present in their national law to minoritized communities who might have been excluded from them, such as disabled, inter*, trans*, or racialized people. They shall stop any restriction based on sexual surgery. They should work on recognizing and repairing law to all people who suffered about forced sterilization.
