

R9 A2: East Shield – Protecting Eastern European Countries and the EU Border

Proposers

Jong Groen

Motion text

Insert from line 26 to 27:

to deter Russian aggression, but also create the conditions for long-term regional resilience — including integration of Ukraine into the same framework, while upholding our fundamental European values of solidarity and human rights.

Reason

Europe must remain in its values of solidarity, be it states helping the most vulnerable states and states upholding the human approach to the most vulnerable members of the population, including migrants and refugees.
