Political Platform text

From line 1352 to 1354:

~~FYEG supports a better balance between work and personal life. This will require a whole range of changes, including a reduction in working hours.~~FYEG supports **future that does not revolve around systemic exploitation of the masses. Firstly, we need to get rid of strict and suffocating work culture**. Studies have shown that a reduction in working hours is accompanied by gains in efficiency.

Reason

This is a wording that more clearly states our goal when it comes to reducing working hours and the current exploitative working culture.
