Political Platform text

From line 1405 to 1407:

165) play a crucial role in improving working conditions. The right to unionise as well as the right to strike must be recognised and protected across Europe.[Newline]
The workers should be granted accessible information and education on unionisation and standing up for their rights. Sanctions against companies that are attempting to prevent further unionisation should be put in place at the EU level.
Moreover, bodies which represent employees' interests should be strengthened,
