R1 A3: Resolution for a just and permanent ceasefire in Gaza and lasting peace in the Middle East

Proposers Genç Ye?iller

Motion text

Insert after line 74:

- Suspension and eventual expulsion of Israel's UN membership for persistently violating the principles of the United Nations Charter.

Reason

Israel is already banning an UN agency (UNWRA) and persistently attacking UN members states, destroying UN facilities, killing UN employees. This is also in line with our previous resolutions (2022 and 2023) that calls the expulsion of Russian Federation from UN and UNSC.
