Proposers DWARS

Motion text

Delete from line 14 to 18:

As the IDF's devastating targeted murder of Palestinians continues, ~~which the overwhelming majority of our member organisations consider to be an ongoing genocide, while others consider that this statement needs to be ruled by an international court,~~ we stress our strong condemnation of the horrendous war crimes mentioned in this and the previous resolution.

Reason
We woud like to not have it in a resolution that will be published.
