R1 A33: Resolution for a just and permanent ceasefire in Gaza and lasting peace in the Middle East

Proposers DWARS

Motion text

From line 50 to 54:

concerning, expanding illegal settlements and displacing and killing Palestinian people in the West Bank and Jerusalem~~, with increasing threats to a complete annexation of the West Bank and Gaza from far-right politicians in Israel and the USA alike~~.. Simultaneously the Israeli government has made increasing threats to annex the entirety of the West Bank and Gaza. We strongly condemn that during the ceasefire, Israel used hunger and halting humanitarian aid as leverage tools, which is a war crime, as defined

Reason

We find it a bit random to name the US in this part, especially as those treats are of a different nature. The most concrete plans of annexation come from the Israeli goverment, so we should focus on that. (and we already talk about the US later on)
