R1 A36: Resolution for a just and permanent ceasefire in Gaza and lasting peace in the Middle East

Proposers DWARS

Motion text

From line 56 to 59:

The ~~IDF's~~ destruction ~~includes deliberate targeting of~~by the ~~environment, including~~Israeli military is causing long-term ecological harm. This environmental devastation, often overlooked, includes the destruction of water systems, farmland, and sanitation infrastructure. This ~~environmental devastation~~ exacerbates the humanitarian crisis and undermines future sustainability and self-sufficiency in the region.

Reason

It is important to note the implications of these acts on future generations and that this harm is long-term.
