leadership necessary to achieve a permanent and just ceasefire in Gaza. The EU and its member states must recognize the Palestinian state ~~with its capital in Jerusalem~~. The EU must act decisively to ensure lasting peace in the region and the freedom for self-determination for its peoples. The EU must show that

Reason

We recognize the importance of Jerusalem as a capital for all abrahamic religions. We want to avoid tensions for declaring Jerusalem as a capital of any state. The other way around, when Trump announced to move diplomatic representation to Jerusalem, thus declaring it as capital of Israel, this was faced by international critique. To avoid any kind of this tension, we urge you to ammend this resolution without the mention of Jerusalem to be anyone's capital.
