Insert after line 113:

- <u>Rebuild destroyed schools and universities</u>
- <u>Provide Palestinian students with visas and legal help regardless of whether they want to stay or return to their homes</u>

Reason
We have moved education and equal right systems around as we think that is a more appropriate order.

Should read:

- Rebuild **(original point moved below)**ducation **(changes word order)**
    - **(original point moved below)**
    - Ensure that all individuals have equal access to rights, legal

protections, and opportunities regardless of ethnicity, religion, or background
- Dismantle legal frameworks that uphold discrimination and ethnic supremacy
- Implement legal protections that guarantee full equality in all aspects of life
- Rebuild destroyed schools and universities **(originally placed on the 1st bullet point)**
- Provide Palestinian students with visas and legal help regardless of whether they want to stay or return to their homes **(originally placed in the 2nd bullet point)**
