R1 A58: Resolution for a just and permanent ceasefire in Gaza and lasting peace in the Middle East

Proposers DWARS

Motion text

Insert after line 79:

- Cease all forms of support for Israel's miltary and settler operations, this includes:
- - Halting financial, material, diplomatic, scientific, and intelligence support and cooperation.

Reason

Any support to Israel's military and settler operations in its broadest sense, should be discontinued as it could mean/means complicity to genocide, or at the very least crimes against humanity.
