Motion text

Insert from line 69 to 70:

government's statements and the deliberate targeting of aid workers and paramedics.

In light of the continued war crimes and violations being committed by Israel in Gaza, international bodies including Amnesty International, Human Rights Watch, the Lemkin Institute, UN special rapporteur Francesca Albanse, alongside Professor Omer Bartov, Jewish-Israeli Professor of Holocaust and Genocide studies at Brown University, and Amos Goldberg, Professor of Genocide Studies at the Hebrew University in Jerusalem, are among the growing list of experts who have all concluded that Genocide is being committed by Israel in Gaza.

Reason

We wanted to give some examples of bodies who are reconginsing the ongoing crisi in Gaza as a geocide.
