R1 A89: Resolution for a just and permanent ceasefire in Gaza and lasting peace in the Middle East

Proposers Grüne Jugend (Germany)

Motion text

Insert from line 17 to 18:

international court, we stress our strong condemnation of the horrendous war crimes mentioned in this and the previous resolution. **At the same time, the terrorist organization Hamas continues to hold at least 58 hostages in dire and inhumane conditions. We unequivocally condemn this ongoing crime and call for the immediate and unconditional release of all those held captive. We are also deeply dismayed by the persistent attacks on Israeli civilians carried out by Hamas, Hezbollah, and, more recently, the Houthis. This conflict can only be calmed if all parties prefer dialogue to violence and commit to de-escalation rather than further confrontation.**
