R3 A9: Updated Young Green vision on European defense policy

Proposers Zelena omladina Srbije

Motion text

From line 133 to 134:

- We propose that ~~beyond the increase in~~instead of increasing European military capabilities, it is necessary to focus on our strategic autonomy. The main points to

Reason

We believe this minor change would better fit our stance towards defence, as well as the differences of opinion within the Federation.
