

### **R3 A21: Updated Young Green vision on European defense policy**

Proposers

DWARS

#### **Motion text**

##### **From line 63 to 66:**

privatisation and profit over well-being. We reject the false dichotomy that says governments must choose between investing in defense or in public services ~~such as social welfare~~, like healthcare, education, and climate adaption. Real security requires both, it cannot be built on the backs of weakened social systems. We must expand the framework of what we call
