R3 A47: Updated Young Green vision on European defense policy

Proposers Ostra Ziele? - Young Polish Greens

Motion text

Insert from line 144 to 145:

- solving and respect to International Law as overcoming colonialism and establishing equal relationships between all (people) on Earth.

Just as Ukraine stands as a barrier between Russian imperialism and the rest of
Europe, so too must the Eastern EU Member States be fortified to prevent escalations, because only by being prepared and united we can avoid further attacks on our sovereignty and deter Russia. A secure Europe begins with a cooperation, strategic autonomy and solidarity.
