I1 AM6: Internal Rules of Procedure

Proposers Executive Committee

Motion text

Delete from line 1326 to 1328:

• Dismissal/expulsion Depending on the seriousness of the allegations, the EC, ~~upon request of the Awareness Group~~ may suspend someone from taking part in any FYEG structure or activity during the duration of the process. Confidentiality

Reason

This amendment increases procedural flexibility and safeguards the ability of the Executive Committee to act swiftly and responsibly in situations requiring temporary suspension during safeguarding processes. By removing the requirement that such action must occur specifically upon request of the Awareness Group, FYEG reduces the risk of unnecessary procedural obstacles that could delay responses in serious cases. This change does not diminish the role of the Awareness Group, but rather ensures that protective measures can be implemented more effectively when needed, while maintaining confidentiality and survivor protection. Eliminating this restrictive wording strengthens the responsiveness, clarity, and practical functionality.
