

I1 Internal Rules of Procedure

Proposer: FYEG

Agenda item: 10. Statutory Documents

Motion text

General Principles

FYEG will have minimal statutes that only contain what legally matters and they will be revised in case the Belgian law changes. All other matters will be taken care of in the IRPs. The IRPs must never contradict the statutes, they can elaborate. The IRPs shall be facilitating and helping with decision-making processes as well as the organisation of the federation. There shall be no more rules than necessary. This document shall be accessible to every M0 on the website.

All acts, invoices, publications, official letters and websites, in electronic form or not, emanating from the association must mention:

- its full or abbreviated name, immediately preceded or followed by "AISBL" or "international non-profit association",
- the precise indication of its registered office,
- its company number,
- the terms "register of legal persons" or the abbreviation "RPM" followed by the indication of the court of the registered office of the legal person,
- if applicable, their email address and website,
- the number of at least one account held by the association with a credit institution established in Belgium,
- if applicable, the indication that the association is in liquidation.

1. Member Organizations

1.1. Membership

1.1.1. Membership categories

The association is made up of member organisations only and has three categories of member organisations:

Full members

Candidate members

Associate members

1.1.2. Membership criteria

Membership criteria are detailed in the Statutes.

1.1.3. Conditions of admission of candidate members

Conditions of admission of candidate member organisations are detailed in the Statutes.

1.1.4. Conditions of admission of full members

Conditions of admission of full member organisations are detailed in the Statutes. In addition, a candidate member organisation must apply for full membership latest at the General Assembly three years after it has received its candidate member organisation status. If the candidate member organisation does not apply for full membership in the third year of its candidacy, the Executive Committee can propose the suspension or exclusion of the candidate member organisation.

1.1.5. Conditions of admission of associate members

Conditions of admission of associate member organisations are detailed in the Statutes.

1.1.6. Resignation of members

Conditions for the resignation of members are detailed in the Statutes.

1.1.7. Suspension of members

Conditions for the suspension of members are detailed in the Statutes. The Executive Committee has a right to propose the suspension of a member organisation to the General Assembly in the following cases (not limited to):

- no update or other contact is made between a member and the FYEG Executive Committee between two General Assemblies,
- the member organisation doesn't fulfil one or more of the membership criteria,
- the member organisation didn't pay their membership fee,
- major changes that happened in the member organisation, which need to be investigated by the EC.

The suspension of a member means that the organisation loses its voting rights. When a member is suspended, the Executive Committee:

1. informs the member organisation about the suspension via an e-mail and explain the consequences
2. makes all reasonable efforts to enable the member to regain its full membership
3. creates a report on this process and presents it at the following General Assembly.

1.1.8. Exclusion of members

Conditions for the exclusion of members are detailed in the Statutes. The exclusion of an MO means that this organisation is not listed as a member organisation anymore and hence loses all of its rights within FYEG. Following an exclusion, an organisation that wishes to rejoin FYEG is expected to follow the entire membership procedure, as a new organisation would. The rejoining organisation is required to inform GA about changes that happened in their organisation since leaving FYEG and explanation of their decision about rejoining.

1.1.9. Suspension and exclusion in case of non-payment of membership fee

The suspension and exclusion of member organisation in case of non-payment of membership fee is further detailed in the Statutes.

1.1.10. Membership fee

FYEG has an annual membership fee. The ceiling is stated in the Statutes.

Each full member organisation shall pay an annual membership fee to FYEG. This membership fee shall correspond to 1 % of the total incomes of their previous year's realised budget with a minimum of 50 EUR for the EU and European Economic Area (Iceland, Liechtenstein and Norway) and Switzerland and the United Kingdom, and 25 EUR for all other European countries.

By way of derogation to the previous paragraph, the General Assembly may decide, in duly justified cases, to lower the amount of the membership fee that a Member Organisation shall pay, following a recommendation of the Executive Committee. Requests for lowering the Membership fee shall be sent by a Member Organisation to the Executive Committee at the latest 2 weeks before the GA.

Each full MO shall pay their membership fee for the running year on the first evening of the GA at the latest, if it has not already been transferred earlier. Full MOs are requested to provide their annual budget statement for the previous

year at the latest. A document listing the amount of the membership fee paid by each MO and the way it has been calculated must be annexed to the financial report of the year in question.

1.1.11. Membership reviews

The Executive Committee presents a review of the FYEG Member Organisations as part of the Executive Committee Report. The review can include the following information:

Overview of the region and its meetings and activities,

The Member Organisations' engagement with FYEG activities during the year,

Major changes to the Member Organisation.

In case of major changes (change of organisations' name, split in the organisation, merge with another organisation, change of political affiliation, etc.), the Executive Committee can propose the General Assembly to vote on that change. The General Assembly may, among other options, take note of the change or suspend the membership of the organisation to give sufficient time to the Executive Committee to look into the situation.

1.2. Working with Member Organisations

1.2.1. Member Organisation Duties

Each MO should keep FYEG updated about:

- changes in the board
- valid contact addresses for the MO list and the website
- activities

1.2.2. FYEG duties

FYEG will provide the Member Organisations with:

- information about statutory meetings
- minutes and reports from statutory meetings and long ECMs

- a newsletter containing information and participation possibilities in current activities

- regularly updated contacts of other Member Organisations

2. General Assembly

2.1. Composition

The General Assembly is the highest decision body.

The General Assembly is composed of one or two delegates per full member organisation, candidate member organisation and associate member organisation.

MOs should strive to send delegations to GA that are gender-balanced and consist of delegates maximum aged 30 years old. If the organisation is unable to find delegates within the age limit, they can send older delegates aged 31-35.

The delegates can be asked to pay a participation fee for the General Assembly. People who are employed by FYEG or are members of the FYEG Executive Committee cannot be delegates to the general assembly.

2.2. Powers

The power of the General Assembly is detailed in the Statutes. In addition to what Statutes state, a decision of the General Assembly is required in the following cases:

- the adoption and amendment of the Activity plan for the upcoming year,
- the adoption and amendment of Resolutions,
- the election of the Financial Control and Advisory Committee,
- the election of the Editorial Board of Ecosprinter,

2.3. Functioning

The Administrative Board and the Executive Committee summons the annual General Assembly. FYEG Member Organisations are summoned to the General Assembly via ordinary mail or e-mail. The convocation contains the agenda, date, time and place of the General Assembly. General Assembly is presided in line with the Meeting Rules (Annex - 1). The Executive Committee can propose additions for the Meeting Rules no later than a week before the General Assembly. These additions must be sent to all member organizations, and they must be approved at the start of the General Assembly by a simple majority and they lose power once the General Assembly is concluded. The rules for holding extraordinary General Assembly are detailed in the Statutes.

Changes to the statutory and internal organisational documents take effect from the first working day after the GA meeting where they were changed, except when the GA votes for their immediate implementation through a second vote requiring an absolute two-thirds majority.

Persons elected by the General Assembly will start their mandate from the first working day after the GA meeting where they were elected, unless other rules apply for their mandate.

2.4. Deadlines and calls

The call for hosting the General Assembly must be sent as soon as possible, no later than 7 months before the tentative dates of the GA. The call must be open at least one month. The selection of the hosting organisation is done by the Executive Committee. The remaining deadlines are structured as follows:

12 Weeks before the General Assembly the Executive Committee must send out a call for: Registration of all participants delegates the executive committee (if applicable) the secretary general (if applicable) the financial control and advisory committee the ecosprinter editorial board the FYEG representative to the EGP committee the presidency

195 must be signed by one-twentieth of the full member organisations, as detailed in
196 the Statutes. In case the number of candidates is less than the number of
197 positions open and/or if the gender quota is not met, the Executive Committee
198 will re-open the call for additional candidates of the underrepresented gender

206 support for candidates

207 10 days before the General Assembly is the deadline for: amendments to the
208 resolutions and Plans

209 Other deadlines:

210 The deadline for submitting emergency resolutions must be 2 days before the
211 start of the General Assembly.

212 At the end of the General Assembly's first day, the assembly sets a deadline for
213 amendments to the emergency resolutions.

214 2.5. Submission of resolutions and amendments

215 At the general assembly Full Member Organisations and the Executive Committee
216 have the right to submit resolutions, and amendments to resolutions, the
217 political platform, the activity and financial plan, the strategic plan, other
218 plans tabled by the EC, the statutes and the IRPs, bearing in mind the deadlines

specified under 2.4. Support of 3 Full Member Organizations is needed in order to table an emergency resolution.

2.6. Presidency

The General Assembly confirms the Presidency proposed by the Executive Committee before any other decisions are made. The Presidency then:
chairs the meetings and discussions at the General Assembly
prepares the resolutions, amendments and voting procedures for the General Assembly
is responsible for taking the minutes of the General Assembly

The Presidency: consists of four to six people who must not be candidates to any positions at the General Assembly, can be suspended and simultaneously replaced with an absolute two-third majority by the assembly.

Such a vote of no-confidence can be demanded by at least 5% of the delegates, who must present people for the new Presidency.

2.7. Participation fee

A participation fee to the General Assembly can be set up if the Treasurer finds it necessary. The following participants of the General Assembly are exempt from paying the participation fee: One delegate per Full, Candidate and Associate Member Organisation, Executive Committee members the Secretary-General and office members of the Presidency

If a full Member Organisation sends a second delegate the participation fee is halved in case at least one of the two delegates self-identifies as women, intersex, nonbinary, trans or agender. Treasurer can grant exemption or lowering of the fee to participant that request it.

2.8. Travel reimbursement

Full reimbursement of travel costs is granted to:

one delegate per full, candidate or associate Member Organisation
Executive Committee members
the Secretary-General and the office,
candidates for the Executive Committee elections,
candidates for the Secretary-General elections, provided they have received approval by the pre-selection committee,

253 members of the presidency

254 The Treasurer can decide to reimburse travel costs for:
255 delegates of organisations applying for candidate membership in FYEG
256 candidates for all open positions the second delegate of a full, candidate or
257 associate Member Organisation if at least one delegate self-identifies as women,
258 intersex, nonbinary, trans or agender.

259 3. Election and Voting Procedures

260 3.1. Attendance and voting quorums

261 In line with the Statutes, each Member Organisation has the right to attend the
262 General Assembly. Only Full Member Organisations have voting rights and each
263 Full Member Organisation has two votes.

264 3.1.1. Principles

265 In line with the Statutes, the General Assembly deliberates validly only if 50 %
266 + 1 of the Full Member Organisations are present or represented. The Statutes
267 detail the steps to follow in case the attendance quorum is not reached. In line
268 with the Statutes, in principle all decisions in FYEG are taken by a simple
269 majority of votes registered for the General Assembly.

270 When voting, abstention is always an option. When the vote relates to decisions
271 concerning persons or Member Organisations, the ballot is always secret. The
272 voting body can decide to have other voting procedures processed through secret
273 ballot.

274 3.1.2. Procedures

275 Definitions

276 Votes registered at General Assembly

277 - the number of Member Organisations and their delegates who are registered for
278 the General Assembly and have voted in the determination of the General Assembly
279 quorum

280 Votes cast

281 - the number of votes that were submitted.

282 Simple majority

283 Majority of the votes cast, i.e. the number of "Yes" votes exceed the number of

284 “No” votes. Abstentions are not considered in the count.

285 Examples:

286 Out of 20 votes: 11 yes, 9 no, 0 abstentions: passed; 1 yes, 0 no, 19
287 abstentions: passed. 10 yes; 10 no; 0 abstentions. not passed. 10 yes, 9 no, 1
288 abstention: passed.

289 Absolute majority

290 To pass "yes" should reach the majority (half+1, or half + 0.5 in case of odd
291 number) of the number of votes registered at the General Assembly.

292 Note that it is number of votes registered, not number of votes cast.

293 This means that if less than half of the voters are present and vote, this
294 majority can never be reached.

295 Examples:

296 20 voters registered: need 11 or more yes votes.

297 21 voters registered: need 11 or more yes votes.

298 22 voters registered: need 12 or more yes votes.

299 Simple two-thirds majority

300 Two thirds of the votes cast.

301 Absolute two-thirds majority

302 Two thirds of the number of votes registered.

303 Note that it is the number of votes registered, not the number of votes cast.

304 This means that if less than two thirds of the voters are present and vote this
305 majority can never be reached.

306 Examples:

307 20 voters: need 14 yes or more votes.

308 21 voters registered: need 14 or more yes votes.

309 22 voters registered: need 15 or more yes votes.

310 3.2. Election of candidates

311 3.2.1. Principles

312 FYEG uses a Single Transferable Vote (STV) electoral system with a standard
313 droop quota. Mathematically, this is the next integer larger than $V / (n+1)$ when
314 V = the total number of valid votes and n is the number of positions available.
315 Specifically recommended is the Scottish STV system.

316 3.2.2. Procedures

317 The main principle is to rank all the candidates according to the voter's
318 preferences for each candidate. Where 1 is the first preference 2 the second

preference and so on.

Voters can rank all candidates even if the number of candidates exceeds the number of positions. Voters can decide to not rank some of the candidates even if this means leaving the ballot partially blank.

Only a completely blank ballot counts as abstention, an abstention counts under the exception below.

If a simple majority of all ballots cast do not rank the candidate with any numbers they are excluded from the election.

0 - All ballots are inspected to determine that candidates have received a simple majority of any kind of ranking on cast ballots. If not, they will be excluded from the election.

1 – The candidates who have reached the election quota (i.e. election threshold) are elected.

2 – If some positions are still available, the following process starts:

2a – The left-over votes on candidates reaching the election threshold are redistributed according to second preferences, using the Single Transferable Vote system of distribution.

2b – If one or more candidates have reached the election threshold, that/those candidate(s) are elected in order from highest to lowest vote count. The process then starts again from point (2).

2c – If no candidate reaches the threshold in this way, the candidate with the lowest amount of votes is removed from the election. The ballot-papers that ranked this candidate as their first remaining preference are redistributed according to their second preference. The process is then restarted (1).

2d - If, following the calculation of the election result, one or more candidates is elected who is ineligible due to quota regulations, these candidates (who had the least number of votes) are removed from the pool of candidates and the entire election is recalculated. That is to say, the election is recalculated, and each time the ineligible candidate would have received a preference vote, the vote instead goes to the voter's next preference.

3.2.3. Exceptions At the General Assembly:

Concerning the Executive Committee elections:

The spokespersons and the treasurer are elected separately from the rest of the Executive Committee positions.

Concerning the Advisory Committee:

The newly elected Executive Committee will present the proposed Advisory Committee to the General Assembly. The General Assembly ratifies the proposed Advisory Committee by a simple majority vote.

Between General Assemblies:

Concerning the replacement of a resigned Executive Committee member:

If an Executive Committee member resigns, a new Executive Committee member can be elected to replace them. The Executive Committee will publish a call for candidates for the vacant position. Candidates will be elected via an electronic vote. Any replaced EC member will have full voting rights in the Executive Committee.

3.3. Electronic voting

The Executive Committee can call for an electronic vote between General Assemblies in urgent matters. It is the duty of the Executive Committee to provide enough information for the full Member Organisations to make an informed decision. Each full Member Organisation has 2 votes.

When voting, abstention is always an option. The voting period is set to two weeks with a one week reminder. The Statutes, the Internal Rules and Procedures, the Strategic Plan and the Political Platform cannot be subject to any electronic vote between the General Assemblies. Results will be announced within one week after the closing of the vote and include detailed information.

3.4. Tiebreakers

3.4.1. Tiebreakers on point of substance

In the case of a tie between two points of substance, the vote shall be held again. If the result is once again a tie, the body voting may choose to vote once more, table the discussion to later in the meeting, or decide by some form of chance. Note that this paragraph is not intended to apply to ties between "yes", "no", or "abstain" where some point of substance requires a majority to pass.

3.4.2. Tiebreakers relating to elections

During the vote calculation process, systems such as Scottish STV calculate how

to break ties in elections using the preferences set out in earlier rounds of voting. If this still creates a tie or there is insufficient data to do the calculations, the candidate who wins in that round is chosen at random.

If it is determined by the Presidency that the final winners of an election varies according to random chance then:
Between the candidates involved in the tie, the candidate with the most first preferences takes the position. If the candidates are tied in first preferences, then second preferences are counted. This process is continued until all preferences are exhausted.

If a result still cannot be determined due to a tie, the Presidency may opt to delay the final decision and schedule a further head-to-head vote between the tied candidates. This vote may take place after the conclusion of the General Assembly, in which case responsibility for organising and conducting the election will pass to the Executive Committee.

Additional head-to-head votes may be held as necessary until the tie is resolved.

3.5. Dismissal of elected persons

3.5.1. Dismissal of Executive Committee member

Two thirds of the Executive Committee can propose dismissal of an Executive Committee member. The Full Member Organisations vote on the proposed resignation through electronic vote. The vote is based on two letters: a letter of justification from the majority of Executive Committee members proposing the dismissal and an optional letter of defence from the Executive Committee member. If at least one third of the full MOs participate in the vote and a two third majority is reached the Executive Committee member is dismissed.

3.5.2. Dismissal of Secretary-General

Two thirds of the Executive Committee can propose the dismissal of the Secretary-General. An additional General Assembly must then be convened by a decision of the Administrative Board under the applicable rules (as set out in the statutes), where the Member Organisations vote on both the dismissal of the existing Secretary-General, and the election and appointment to the Administrative Board of a new interim Secretary-General.

The Executive Committee has the right to in writing and orally inform the Member Organisations as to why they have proposed the dismissal, and the Secretary-General the right to defend themselves. If quorum is reached (as detailed in the

Statutes) and a simple two-thirds majority is found at the additional General Assembly for dismissing the Secretary-General, the Secretary-General is dismissed. The Executive Committee can propose dismissal of the Secretary General, with two-thirds of the votes of the members of the EC.

The Member Organisations must be notified within 8 days about the decision and the Executive Committee must appoint a Secretary-General ad interim within 8 weeks after the decision of the Executive Committee. The Secretary General ad interim will continue until the election of a new Secretary General at the subsequent General Assembly.

The new interim Secretary-General will take over the mandate over the former Secretary-General, expiring whenever the former Secretary-General's mandate would have expired. They have all the powers and responsibilities of the former Secretary-General.

13.6. Gender quota

In all elected bodies there must be a minimum of 50% of people that self-identify as women, intersex, nonbinary, trans or agender. If there is only one position in a body, there is no quota. However it is encouraged that people that self-identify as women, intersex, nonbinary, trans or agender alternate in this position.

4.1. Administrative Board

In line with the Statutes, the association is administered by an administrative board composed of three people, appointed by the general assembly amongst the Secretary-General, and members of the Executive Committee, preferably the Spokespeople and the Treasurer.

4.2. Executive Committee

The Executive Committee members are responsible for making strategic and political decisions about the organisation during their mandate and between General Assemblies.

The Executive Committee strives to reach consensus, with any member able to call a vote if consensus cannot be reached; decisions are made by a simple majority, disregarding abstentions. If no majority is secured after two consecutive votes, the decision is postponed to the next meeting for further attempts to reach a consensus. If voting fails again in the subsequent meeting, the decision is deemed against.

The Executive Committee is composed of eight people: who are elected by the General Assembly with a one-year mandate "Who can only do a maximum of three total mandates" in case of by-election, the term only counts as a mandate if it exceeds 9 months

Any individual can hold a maximum of two different mandates in one particular role within the EC across the course of their lifetime. For example, they could be Co-spokesperson for two mandates, and EC member for one mandate, but they could not be Co-spokesperson for three mandates. An EC member is either a co-spokesperson, a treasurer or a regular EC member: the roles cannot be accumulated.

An EC candidate must not be older than 32 on the year of election. A mandate is the period between one Annual GA to the next Annual GA. The EC's mandate is entrusted by the GA, and this should be reflected in the EC's work and attitudes. This also means that the EC as a whole, or individual EC members can be held accountable to the GA in the instance of working against the interest of the GA.

Within the EC there are two spokespersons, who must not be from the same Member Organisation, the treasurer and five additional members.

The gender quota applies to the spokespersons.

The Executive Committee:
rules when an absolute majority of its members are present and/or involved in the decision-making process through online channels,
is responsible for the relations with the Member Organisations,

The Committee consists of 13 members, out of which 4 are elected for specific functions, 8 regular members and 1 seat nominated by FYEG. The Committee mandate is 3 years. Members may not serve more than three terms. The Committee's general tasks and responsibilities are further detailed in the European Green Party Statutes.

FYEG nominates one member to the EGP Committee. Hereafter, this person will be referred to as the representative. This representative cannot hold any of the four specific posts of the Petit Committee of the European Green Party (Co-Chairs, Treasurer and the Secretary General). The nomination of this FYEG representative will follow the Committee elections deadlines.

FYEG's representative is elected at the General Assembly. They must not be older than 32 years old at the year of election. They are required to attend at least one live Executive Committee meeting every year. The decision on the selected candidate is done in line with the internal delegation order of the FYEG, adopted by the Executive Committee on an annual basis.

The Executive Committee adopts "Guidelines and Rules for the Office" in line with legal requirements. This document is made available to all employees, especially when new employees are recruited. Salaries are decided upon in line with the internal delegation order of the FYEG, based on the financial plans adopted by the General Assembly.

- helping with the acquirement and create professional documents on current and selected topics providing the groundwork for the formulation of political positions

- promoting the involvement of Member Organisations and green activists in FYEG Working Groups providing space for a debate between young Green activists on the European level supporting the Executive Committee, office and prep-teams in the organisation of events and campaigns supporting the Executive Committee and Prep-teams in policy related preparations for FYEG events

Working groups are formed by the Executive Committee, with a defined scope, aim, working area and timeframe. This defined scope is outlined by the Executive Committee responsible for the working group and working group coordinators at the start of the mandate to complement FYEG's priorities.

The creation of a working group may be planned in the annual activity plan adopted by the General Assembly but the Executive Committee may also decide to create ad-hoc working groups. Working groups must not work against the political platform of FYEG. Further details on how to form, manage and communicate Working Groups is detailed in the Annex - 2 Working Groups Guidelines.

4.9. Ecosprinter Editorial Board

The Ecosprinter is the Member Organisations magazine of FYEG and is created by an autonomous editorial board, elected at the General Assembly. The Ecosprinter is published online and FYEG should strive for a printed version. The mission of the Ecosprinter is to:

4.10. Conflict of Interest

In case a decision needs to be taken and a member of an FYEG body has a conflict of interest, financial or moral, they must inform the other members of the body before the decision is taken and the following procedure applies:

- the person with a conflict of interest may not participate in the debate and the vote related to the decision in question.
- except for the Executive Committee itself, the body in question is allowed to delegate this decision to the Executive Committee,
- when the decision is delegated to a second body, the first body may still execute the decision.

If someone neglects to disclose a conflict of interest, any other member who is aware of the conflict must inform the rest of the members before the debate and decision takes place. Without the member concerned by the conflict of interest present, the body decides by a vote whether or not this member can participate in the debate and the vote. This decision must be mentioned in the minutes of the meeting. The body is allowed to delegate this decision. In case the majority of members present or represented are in a position of conflict of interest, the decision must be delegated to the Executive Committee. In case the majority of members of the Executive Committee are in a position of conflict of interest, the decision must be delegated to the General Assembly.

Bike trips over 10 km are reimbursed by 1 EUR / km with a maximum of the price of a second class train ticket and with an absolute maximum of 100 EUR.

Direct flights as well as combinations of direct flights with ground transportation are to be preferred over multistop flights due to the increased emissions from multiple starts and landings. Due to the high levels of emissions, plane-travel in general should be avoided as much as possible.

Taxi costs will be reimbursed if local transport is not available and if requested in advance from the organisers. The necessity of using a private car must be justified in writing and approved in advance. Travel by car may be reimbursed by 0.2 EUR/km. Depending on the activity, specific reimbursement

rules may apply. Car sharing should be approved in advance and should be cheaper than public transportation. T

he costs have to be documented.

FYEG uses the official conversion rates of the European Commission for currencies other than Euro:
ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm

Meeting rules to the General Assembly

These meeting rules regulate the formal sessions of the General Assembly. The goal of these meeting rules is to make sure that all participants have an as similar understanding of the formalities of the General Assembly as possible.

Presidency

The General Assembly is presided over by the Presidency. The Presidency consists of four to six people, who must not be candidates to any positions at the General Assembly. In line with the Internal Rules and Procedures, the Presidency is selected by the Executive Committee by an open-call. The General Assembly confirms the Presidency proposed by the Executive Committee before any other decisions are made. The Presidency should elect a chair among themselves. The Chair is the main point of contact for the Executive Committee and the Office during and after the General Assembly. The chair is responsible for making sure that the rest of the Presidency delivers their tasks assigned to them and that all the documents related to the General Assembly (adopted resolutions, minutes, votes and voting cards, and other adopted documents) are finalised handed over the Office and the Executive Committee in the following month after the General Assembly.

The Presidency: chairs the meetings and discussions at the General Assembly prepares the resolutions, amendments and voting procedures for the General Assembly is responsible for taking the minutes of the General Assembly decides who speaks, who takes part in discussion and who can also be suspended from discussions. Can call emergency sessions to the agenda. However this change would need confirmation by a simple two-thirds majority of the full members.

Agenda:

The agenda of the General Assembly is adopted with a simple majority on the first day of the General Assembly. In line with the Statutes, if the member organisations want to add a point to the General Assembly agenda, they should communicate it to the Executive Committee at least 10 days in advance and their proposal must be signed by one-twentieth of the full members. The agenda can only be changed with a simple two-thirds majority of the full members. Proposed changes to the agenda have to be presented in written form to the presidency.

Documents that are noted, amended, approved, disapproved at the General Assembly:

The power and the role of the General Assembly is detailed in the Internal Rules and Procedures. The Executive Committee, the Secretary General, the Ecosprinter Editorial Board, the Financial Control and Advisory Committee and the Advisory Committee presents their reports for the previous years. These reports are heard

by the GA, not voted. The Treasurer presents the annual accounts and financial report of the previous financial year and the budget and the financial plan of the upcoming year. These documents can be amended and voted. The Executive Committee presents the Activity Plan and the Strategy Plan (if applicable) for the upcoming year(s). These documents can be amended and voted. The deadlines for presenting and amending these documents are detailed in the Internal Rules and Procedures.

The Presidency is responsible for organising Compromise Amendment Sessions (CAS) to try and find compromises on amendments, so that documents have a higher chance of being adopted.

Compromise Amendment Sessions (CAS):

The Compromise Amendment Sessions are called CAS in short. Everyone who has speaking rights at the General Assembly can attend the compromise amendment session, and it's advised that all member organisations with voting rights do so. Compromises are made between the member organisations or the body that proposed the original document and the member organisations or the body that proposed the amendment subject to compromise.

It is advised to include other interested Member Organisations in this compromise process so as to further broaden consensus. Amendments to existing documents (Statutes, Internal Rules and Procedures, Political Platform) are only subjected to compromise if the compromise is in the scope of an already submitted amendments. The Presidency may declare a compromise amendment ineligible if its scope is different from the original amendment.

During the Compromise Amendment Session, the proposer of the resolution presents their resolution. The proposer of the amendment presents their amendment. At this point other parties can declare their positions towards the amendment. The proposer of the resolution can adapt the amendments or seek a compromise. If a compromise is reached, it is shared with the delegates of the General Assembly. Unless a Full Member Organisation or the Executive Committee disputes the compromise, it is considered adopted.

If the compromise is disputed, the compromise will be sought until the last day of the General Assembly. It is encouraged that the CAS sessions are organised in advance of the General Assembly, following the deadline for amendments which is one week before the General Assembly. The CAS session can happen online. In the voting, firstly the compromised amendments on the document as whole are voted. Afterwards, the document itself is voted on.

Resolutions

Each resolution should have an international and/or European angle
Each resolution should be supported by at least three Member Organisations
A resolution should always have a call to action
A resolution should preferably be around 5,000 characters but definitely not more than 10,000
The Executive Committee can recommend review of certain resolutions to the Presidency. The Presidency can suggest/demand the proposers of the resolution to withdraw their resolution or to postpone the resolution to the further General Assemblies.

Speaking rights and debates:

Speaking rights are open to all members of FYEG bodies, and all registered participants of the General Assembly. The presidency ultimately decides which individuals are given the opportunity to speak. The speaking time for debates is proposed by the presidency at the beginning of every debate based on the content of the debate and the time assigned for the current session in the agenda. The presidency can change the assigned speaking time based on the time left of the session to better fit the agenda, as they see fit. This might include cutting breaks.

The General Assembly can overrule (with a simple two thirds majority) the presidency's proposals for speaking time. In such cases the new Agenda proposal must be submitted to the Presidency in a written form. During sessions where debates will take place, participants will be able to submit 'speaker cards' before the session. These cards will note if they are for/against, their Member Organisation and their gender.

In view of the received speaker cards, the Presidency will define the speaker list. Speakers may still be taken from the floor for balance, but those who submit cards will be prioritised. The presidency will ensure gender balance on the speaking list. This is done through a strict quotation of the list. Only as many men are allowed to speak as non-men are on the list. The only exception is if people are on the list who haven't participated in the debate up to that point. They will be chosen before persons that have already made plenty of contributions. The only exceptions to the speakers list are technical points. If someone has a technical point, they must signal the presidency and will be given the floor after the current speaker.

Types of debate:

Open debate:

The debate is open to speakers willing to speak for or against the resolution or amendment being discussed, as well as for contributions that are neither opposed nor in favour. This debate is often used during the Compromise Amendment

1023 Sessions.

1024 Con-Pro:

1025 The debate is organised by an alternation of speakers against and for the
1026 resolution or amendment being discussed. This debate is often used during the
1027 Voting Session of the amendments that goes to vote and the resolutions. It
1028 should be noted that all the compromises should be reached before the voting
1029 session and the point of the con-pro debate is not to reach a compromise but to
1030 explain the positions. Therefore the presidency is encouraged to do only one
1031 round of con-pro debates, and if more than one rounds occur time is monitored by
1032 the presidency to ensure that overall the 'pro' and 'con' sides are both
1033 allocated equivalent speaking time.

1034 Quorum, voting and majorities:

1035 Quorum, voting rules and majorities are defined in the Internal Rules of
1036 Procedures. Voting rules and majorities are defined in the Internal Rules of
1037 Procedures A quorum check will be called before the voting sessions.

1038 Safer Spaces

1039 The General Assembly is a space where everybody feels safe, and has an equal
1040 opportunity to be heard. The Presidency is responsible for chairing the General
1041 Assembly in line with FYEG's Safer Spaces regulations. The presidency can ban a
1042 participant for misconduct for the remainder of a session.

1043 (Queer-)Feminist Council

1044 On a point of order, the women, intersex, nonbinary, trans and agender
1045 participants present and entitled to vote may decide whether they wish to hold a
1046 Feminist Council. The motion is dealt with with one pro and one con speech, with
1047 only those eligible to vote on the motion able to speak; the debate can be
1048 opened up beyond these two speeches.

1049 The Feminist Council then deliberates for up to one hour in the absence of the
1050 other participants and informs the entire body of the outcome after the end of
1051 the Feminist Council. The Feminist Council is considered part of the respective
1052 body. The organizers are responsible for a parallel programme dealing with a
1053 feminist policy topic for all those not participating in the Feminist Council.

1054 At the Feminist Council, women, intersex, nonbinary, trans and agender people
1055 can issue a Feminist vote. In the case of motions that affect the right of self-
1056 determination of women, intersex, nonbinary, trans or agender people in terms of
1057 form or content or that particularly affect women, intersex, nonbinary, trans or

agender people, the Feminist Council has the opportunity to hold a separate vote among women, intersex, nonbinary, trans or agender people before the assembly vote. This Feminist vote is a strong and urgent recommendation to the assembly and shall be understood as such. The feminist vote is a non-binding recommendation.

Annex 2:

Working Group Guidelines

These guidelines are to serve the Working Groups and the Working Group coordinators. Working Group rights and responsibilities:

Working group functions are detailed in the FYEG's Internal Rules of Procedures. FYEG Working Groups are based on direct democracy and the inclusion of all its members. Most of the Working Group meetings happen online, through the channels of internal communication available to them. Working Group members can have access to usage of the internal communication tools available to FYEG (such as online meeting softwares).

As set out in the Internal Rules of Procedures, the EC is responsible for setting up a new Working Group and for ending the term of a Working Group.

Working Groups can (and not only):

- Support FYEG and its bodies in developing policy documents
- Provide feedback to FYEG's internal policies and documents
- Create campaigns
- Create guidelines, templates, training material, and similar material

All the Working Group activities must be in line with the FYEG Political Platform. Only FYEG's Executive Committee (EC) has the mandate to speak on behalf of the organisation and engage in partnerships with other organisations. Therefore, any external communication or partnership request needs their approval.

When the Working Group has a request for content to be shared via FYEG's official channels, firstly, it should be approved by the member of the Executive Committee responsible for the Working Group (hereinafter EC Responsible). Moreover, if the Working Group decides to engage in external partnerships, sign letters of external partners (i.e. organisations other than Green Political Organisations), etc. this must also be approved by the EC Responsible for the Working Group. Finally, if the Working Group needs support from the FYEG Office in matters of communication, administration, finances, etc. the Working Group should communicate a detailed concept, through the Working Group coordinator, to

1094 the EC Responsible in a timely manner.

1095 Executive Committee responsibilities:

1096 The EC Responsible is the person appointed among the EC members to be
1097 responsible for the Working Group. They are responsible for:
1098 Initial setup of the Working Group: defining the aims, scope, timeframe,
1099 publishing a call for Working Group members and coordinators
1100 Choosing the first members of the Working Group and the Working Group
1101 coordinators
1102 Meeting with the coordinators to explain their roles and responsibilities
1103 Attend meetings where needed/wanted to (optional) - but in general, it is more
1104 important to be aware what they are up to
1105 Keeping track of all their activities and being aware of how the Working Group
1106 is progressing and what they are up to
1107 Providing political advice and making sure the Working Group acts in line with
1108 FYEG's Political Platform
1109 Updating the Working Group on FYEG activities related to their topics and
1110 purposes

1111 The EC responsible has the possibility to exclude someone from the Working Group
1112 on the recommendation of the coordinators or at least three members of the
1113 group. The EC has to be informed of the decision. The person has the possibility
1114 to appeal to the Advisory Committee.

1115 Working Group coordinator responsibilities

1116 A working group should have two coordinators, at least one of them self-
1117 identifying as women, intersex, nonbinary, trans or agender. If it is impossible
1118 to find two coordinators even after the EC responsible's best efforts to do so,
1119 an exemption can be made if approved by the FYEG EC. In this case, it is
1120 required that either the EC responsible or the Working Group coordinator self-
1121 identifies as female, intersex, nonbinary, trans or agender,

1122 Working Group coordinator tasks are as follows:

1123 Set meetings and agendas for Working Group and notifying members of action
1124 points afterwards (online Working Group meetings should strive to be planned at
1125 least once every two weeks, excluding holidays and exceptional circumstances)
1126 Set up the main communication channels Main point of contact for EC Responsible
1127 Keep the EC Responsible up to date on what's happening in the Working Group
1128 Keep Working Group members informed and updated on EC's feedback and
1129 recommendations
1130 Steer direction: set priorities, what themes/projects they work on, oversee the
1131 work
1132 Coordinate the creation of a Working Group activity plan, guided be the

1133 objectives and goals set out at the beginning
1134 Set up subgroups (if necessary or desired)

1135 They do not need to be involved in every single project or attend every meeting,
1136 but in their absence should delegate project or meeting moderation to someone
1137 else, and keep themselves updated on progress

1138 **Annex 3: Safer Spaces Policy**

1139 Safer spaces are evolving and not static. We have high expectations on how we
1140 behave towards each other in our meetings, actions and social spaces. Making a
1141 space safer means different things depending on the group of people involved as
1142 each group has different needs. This policy aims to be considered in every
1143 meeting involving FYEG, but the document should evolve as we learn and grow. As
1144 an organisation we build social relationships inside and outside of meetings and
1145 actions. We commit to this Safer Spaces policy wherever we are together, this
1146 includes ensuring that ALL spaces are inclusive and harmless.

1147 If someone violates these agreements a discussion or mediation process can
1148 happen, depending on the wishes of the person who was affected. If a serious
1149 violation happens to the extent that someone feels unsafe, they can be asked to
1150 leave the space and/or speak with one member of the Awareness Group. If
1151 necessary, the Sexual Harassment Protocol will be activated.

1152 1. Respect! Racism, as well as ageism, GSRM-phobia , sexism, ableism or
1153 prejudice based on ethnicity, nationality, class, gender, gender presentation,
1154 language ability, asylum status or religious affiliation is unacceptable and
1155 will be challenged. FYEG has a zero-tolerance policy with any kind of
1156 discrimination, even though we acknowledge that there can be different levels in
1157 a breach of a safe space.

1158 2. Be aware of your privileges! Including racial, class and gender privilege
1159 and/or less obvious or invisible hierarchies. Think about how your words,
1160 opinions and feelings are influenced and who they might exclude or harm.

1161 3. Consent! Respect each other's physical and emotional boundaries, always get
1162 explicit verbal consent before touching someone or crossing boundaries. Don't
1163 assume your physical & emotional boundaries are the same as other people's.

1164 4. Friendly use of language! Be aware of the language you use in discussion and
1165 how you relate to others. Try to speak slowly and clearly and use uncomplicated
1166 language especially when non-natives speakers are involved in the conversation.

1167 5. Don't anticipate yourself! Avoid assuming the opinions and identifications of

1168 other participants.

1169 6. Learning; if you don't understand something, just ask. You may be directed to
1170 a book, website or skill share to learn more. It's ok to make mistakes. Please
1171 show appreciation for the hard work of others and be considerate when you offer
1172 criticism.

1173 7. Everyone has their turn; give each person the time and space to speak. In
1174 large groups, or for groups using facilitation: Raise your hand to speak.

1175 8. Calling out; if you have acted or spoken harmfully, even if unintentionally,
1176 expect that someone will bring this up to you. If this happens, listen and
1177 reflect on what they are saying even if you think they may be wrong. Don't try
1178 to absolve yourself of responsibility. This policy should be expanded with
1179 specific measures and practices to promote the creation of safer spaces.

1180 The EC, Office and all Prep Teams must organise mandatory reflection/awareness
1181 sessions dedicated to discussing power dynamics in relation to sexual/romantic
1182 relationships within our Federation, being mindful about how they engage with
1183 participants and ethical leadership within FYEG. The EC should hold such a
1184 reflection/awareness session at a minimum once a year preferably at the first
1185 live ECM.

1186 The Office should hold such a reflection/awareness session at a minimum once a
1187 year. Prep Teams should hold such a session at least once during a Prep Team
1188 meeting before the event they are organizing begins. Discussions on power
1189 dynamics and ethical leadership also are incorporated into the onboarding
1190 process for new EC members and Office members.

1191 Permanent Awareness Team

1192 The Permanent Awareness Team consists of one member from the EC and one
1193 volunteer that is not a member of the EC. Both members are selected by the EC.
1194 This team operates in addition to the event-specific awareness groups and are
1195 complementary to those. Members of FYEG should be informed of the existence of
1196 this team and know that they can contact them regarding situations that make
1197 them feel uncomfortable or if they have concerns about the behaviour of EC
1198 Members, Office members, or PT members.

1199 The Permanent Awareness Team should be easily accessible via the website, and
1200 there should be a contact form available that allows for anonymous submissions.
1201 The team is responsible for safeguarding the anonymity of any FYEG members who
1202 reach out to them. The Permanent Awareness Team has the authority to make
1203 recommendations and propose initiatives in the form of reports to the EC and the

1204 General Assembly as needed.

1205 Anti sexual harassment protocol

1206 FYEG has a zero-tolerance policy on sexual harassment at all its events, within
1207 all its structures and during all activities. This protocol is applicable for
1208 those participating in an FYEG activity (General Assembly, Strategic Planning
1209 Committee, Working Group Meeting or any other activity), members of a Member
1210 Organization (MO), or members of an online structure of FYEG, referred to as
1211 “this organization” from now onwards in this protocol. Anyone who is subject to
1212 sexual harassment can approach one of the designated contact points responsible
1213 for receiving complaints of sexual harassment.

1214 The Executive Committee will designate an Awareness Group for anyone presenting
1215 allegations of physical, verbal or online sexual harassment. In accordance with
1216 the IRPs, the Awareness Group will be formed by two persons from the EC who are
1217 of different genders. Additionally, every Prep - Team will designate one person
1218 to be an independent contact person in our projects. However, this person shall
1219 always inform the official contact points if a procedure starts, in the case of
1220 their absence, the main contact will be the Project Manager.

1221 When one of these procedures is open in the organization, the EC as a whole must
1222 be informed of the procedure without details of the people involved or the
1223 presented allegations to respect confidentiality. If a case involves someone
1224 from the EC, the case will be brought to the Advisory Committee (AC). The
1225 Advisory Committee will act as contact points when a case arises, following this
1226 protocol. However, the EC will not be informed until a final decision is made.
1227 Important note: These procedures will follow general principles such as the
1228 privacy of the survivor, confidentiality of the process and survivor’s choice
1229 and preference.

1230 We respect the presumption of innocence of any alleged harasser which is why
1231 this procedure is in place and has been approved in the General Assembly.
1232 However, as a feminist organization, we also believe in the principle of
1233 believing the survivor and putting the burden of the proof on the alleged
1234 harasser. This procedure might be applied to an internal case of a MO if this
1235 case is related to FYEG activity or if the people involved take part in any FYEG
1236 structure. However, we will not be able to extend sanctions or disciplinary
1237 measures beyond FYEG.

1238 MOs can however adapt this protocol to their own organization. When the
1239 designated people receive a complaint of sexual harassment, they shall:

1240 1. Immediately record the dates, times and facts of the incident(s);

2. ascertain the views of the survivor as to what outcome they want, ensure the survivor feels safe and ensure the survivor is separated from the alleged offender unless the survivor wishes otherwise;

3. ensure that the survivor and the alleged harasser understands FYEG protocol for dealing with the complaint;

4. discuss and agree the next steps with the alleged survivor, informal, formal or outside complaints procedure (police, hospital, embassy, etc.), on the understanding that choosing to resolve the matter informally does not preclude the survivor from pursuing a formal complaint if they are not satisfied with the outcome;

5. keep a confidential record of all discussions. Records will be destroyed if the alleged survivor requests it, or before the change to a new EC. However, a record of sanctions and a brief description of the reason will be kept in a safe place;

6. respect the choice of the survivor;

7. and ensure that the survivor knows that they can lodge the complaint outside of FYEG through the relevant country/legal framework.

INFORMAL COMPLAINTS PROCEDURE

If the survivor wishes to deal with the matter informally, the designated person will:

- Approach the alleged harasser saying that the behaviour is offensive, unwelcome and must be stopped;
- Inform the harasser that FYEG has a zero tolerance policy on sexual harassment and that disregarding this policy may result in the person's exclusion from the organization
- give an opportunity to the alleged harasser to respond to the complaint;
- ensure that the alleged harasser understands the complaints mechanism;
- facilitate discussion between both parties to achieve an informal resolution which is acceptable to the complainant, provided the alleged survivor agrees,
- ensure that a confidential record is kept of what happened;

- 1271 • follow up after the outcome of the complaints mechanism to ensure that the
1272 behaviour has stopped and that there is no risk of its repetition;

- 1273 • And ensure that the above is done accurately and at the latest within 10 days
1274 of the complaint being made. During events, the procedure shall take place
1275 within 48 hours. FORMAL COMPLAINTS PROCEDURES If the survivor wants to make a
1276 formal complaint or if the informal complaint mechanism has not led to a
1277 satisfactory outcome for the survivor, the formal complaint mechanism should be
1278 used to resolve the matter. The designated person who initially received the
1279 complaint will communicate to the rest of contact points the opening of a formal
1280 complaint procedure. The EC will be informed of this, respecting the
1281 confidentiality of the alleged survivor and the allegations. The designated
1282 person who initially received the complaint will carry out the investigation
1283 with the assistance of the Awareness Group and the independent contact person at
1284 the moment in which allegations were presented, if any. They will help the
1285 investigator with the analysis and decision making process. A procedure for
1286 online harassment shall be developed. The person carrying out the investigation
1287 will:

- 1288 • interview the survivor and the alleged harasser separately

- 1289 • interview other relevant third parties separately

- 1290 • decide whether the incident qualifies as sexual harassment within the meaning
1291 of this protocol

- 1292 • produce a report detailing the investigations, findings and any
1293 recommendations

- 1294 • if the harassment took place, decide what the appropriate remedy for the
1295 survivor is, in consultation with the survivor (i.e. an apology, a change of
1296 structure, suspension..)

- 1297 • follow up to ensure that the recommendations are implemented, that the
1298 behaviour has stopped and that the survivor is satisfied with the outcome

- 1299 • if it cannot determine that the harassment took place, they may still make
1300 recommendations to ensure proper functioning of the organization

- 1301 • keep a record of all actions taken

- 1302 • ensure that all records concerning the matter are kept confidential

• ensure that the process is done as quickly as possible and in any event within 15 days of the complaint being made. The general rule is to avoid the presence of the alleged harasser in those places/structures in which the alleged survivor moves. It is vital that the wishes and needs of the survivors are incorporated into the outcome of the complaints mechanism. A data protection protocol will be developed.

OUTSIDE COMPLAINT MECHANISM

This protocol seeks to create a fast and appropriate response to allegations of sexual harassment. However, it does not seek to substitute existing regulation and legislation on this issue. We want to make clear that FYEG wants to be fully supportive with every decision of the alleged survivor. A person who has been subject to sexual harassment can at any time make a complaint outside of the organization. Even though this organization cannot offer legal advice, the contact point(s) will accompany the person to the instance this person prefers (hospital, police, ombudsperson, law courts, embassies, etc.) if they request it.

SANCTIONS AND DISCIPLINARY MEASURES

Anyone who has been found to have sexually harassed another person under the terms of this policy may be sanctioned. Sanctions may include but are not limited to one of the following :

- Verbal or written warning
- Suspension from an elected or non-elected FYEG structure, in line with FYEG IRPs when appropriate
- Dismissal/expulsion Depending on the seriousness of the allegations, the EC, upon request of the Awareness Group may suspend someone from taking part in any FYEG structure or activity during the duration of the process. Confidentiality of the survivor will be maintained.

In case of sexual harassment, violence or discrimination by a member of an elected body within FYEG (Financial Control Committee, Advisory Committee or Ecosprinter Board) the EC can exclude the offender after consulting the full MOs. (cf. 2.2.2). If the case arises within the EC, the Advisory Committee can exclude the offender after consulting the full MOs. The nature of the sanctions will depend on the gravity and extent of the harassment. Suitable deterrent sanctions will be applied to ensure that incidents of sexual harassment are not treated as trivial. Certain serious cases, including physical violence, will result in the immediate dismissal of the harasser.

Guidelines for persons of contact

Read the protocol and understand every aspect What is sexual harassment? It is unwanted behaviour of a sexual nature which: Violates your dignity Makes you feel intimidated, degraded or humiliated Creates a hostile or offensive environment Sexual harassment "can include, but is not limited to", these examples:

Touching, pinching, stroking, squeezing, or brushing against someone
Leering or ogling
Making LGBTIAQ+-phobic or GSRM (Gender, Sexual and Romantic Minorities)-phobic comments and sexually suggestive signals, winking
Sending unwanted e-mails, text messages, posting sexually-explicit jokes or content on FYEG communication channels
Sexual comments or jokes
Making insults based on a person's sex or rating their sexuality
Turning work discussions to sexual topics
Physical behaviour, including unwanted sexual advances, touching and various forms of sexual assault
Displaying pictures, photos or drawings of a sexual nature

Remember: Whether harassing intentionally or unintentionally, we all have a responsibility to monitor our behaviour and respect each other. Anyone who reports an incident has the right to remain anonymous. They also have the right to feel safe and respected. Listen and Support It's tough to be prepared when someone tells you that they have been the survivor of sexual harassment.

Remember, you can only provide support. Support and understanding are essential. It takes a lot of courage for a survivor to share their experience; Try to provide a safe/non-judgmental environment, emotional comfort and support for the survivor to express feelings; Let them know that they can talk with you.

Listen. Don't rush to provide solutions.

Believe. The most common reason people choose not to tell anyone about sexual abuse is the fear that the listener won't believe them. People rarely lie or exaggerate about abuse; if someone tells you, it's because they trust you and needs someone to talk to. People rarely make up stories of abuse. It is not necessary for you to decide if they were "really hurt." If the survivor says they were hurt, that should be enough

Believe what the person tells you. It may have been difficult for them to talk to you and trust you. Unless proven wrong harassment has happened.

1375 Reassure Sexual assault is NEVER the survivor's fault. No one asks to be
1376 sexually assaulted by what they wear, say or do. Let the survivor know that only
1377 the perpetrator is to blame; The survivor needs to hear that fears, anxieties,
1378 guilt and anger are normal, understandable and acceptable emotions; Remember, no
1379 one ever deserves to be abused or harassed.

1380 Be Patient. Don't press for details – let the person decide how much to tell
1381 you. Ask them how you can help; Survivors have to struggle with complex
1382 decisions and feelings of powerlessness, trying to make decisions for them may
1383 only increase that sense of powerlessness; You can be supportive by helping them
1384 to identify all the available options and then help them by supporting their
1385 decision making process (here refer to the protocol). The survivor can't just
1386 "forget it" or just move on. Recovery is a long term process and each individual
1387 moves at their own pace Encourage Encourage the survivor to seek medical
1388 attention, report the assault, and or contact a professional if needed.
1389 Remember, the survivor must ultimately make the decision as to what to do. They
1390 are the experts in their own lives. Don't push. Remember, support their choices
1391 no matter what they decide.

1392 Respect Privacy - Confidentiality. Don't tell others what the survivor tells
1393 you. Let the individual decide who they will tell. It is important not to share
1394 information with others who are not involved; If you do need to share
1395 information for their safety, get permission by letting them know what you will
1396 share and with whom it will be shared; ie. the rest of contact points in case of
1397 a formal complaint

1398 Establish Safety. An important part of helping the survivor is to identify ways
1399 in which the survivor can re-establish their sense of physical and emotional
1400 safety. You are a step in the process. Ask them what would make them feel safe
1401 and how you can help them accomplish this. If the stalking or harassment is
1402 ongoing, help them to develop a plan of what to do if they are in immediate
1403 danger. Having a specific plan and preparing in advance can be important if the
1404 harassment escalates. Things you can say It is hard to know what to say to a
1405 person when they confide in you.

1406 Refrain from asking a lot of questions, instead, support them with these
1407 phrases. Let the person know that you believe that they have the strengt and
1408 capacity to heal.

1409 It's not your fault

1410 I'm sorry this happened

1411 I believe you

1412 How can I help you?

1413 I am glad you told me

1414 I'll support your choices

1415 You're not alone

1416 Use of inclusive language. FYEG aims to use language in its communications and
1417 its events that reflects the level of English spoken within an organisation of
1418 mostly non-native speakers. FYEG promotes the use of inclusive and accessible
1419 language within the organisation. FYEG attempts to reduce the shame of using
1420 simple language. We do this to make sure that everyone feels welcome to
1421 participate and contribute.
