R1 AM5: Media freedom and independence under attack

Proposers Young Greens of Norway

Motion text

From line 74 to 75:

Media freedom is under pressure. Journalists face bullets in Gaza, censorship in Russia, SLAPP suits in Italy. FYEG refuses to accept this as the new normal. We demand a Europe where public broadcasters serve the public, where truth outweighs propaganda, and where no journalist risks their life for doing their job. Our fight for media freedom is a fight for democracy.

~~With all this in mind, we, the~~The Federation of Young European Greens demand that:

Delete from line 133 to 137:

~~Media freedom is under pressure. Journalists face bullets in Gaza, censorship in Russia, SLAPP suits in Italy. FYEG refuses to accept this as the new normal. We demand a Europe where public broadcasters serve the public, where truth outweighs propaganda, and where no journalist risks their life for doing their job. Our fight for media freedom is a fight for democracy.~~

Reason

the concluding remarks are better placed before the bullett points.
