R1 AM6: Media freedom and independence under attack

Proposers Grüne Jugend (Germany)

Motion text

Insert after line 34:

Additionally, it is concerning to see that privately owned media sets the ruling narratives. For example “Fox News” in the USA and Springer in Germany highlight how privately owned media do not follow journalistic standards but spread misinformation to protect the interest of the super rich. These media play a central role in the ongoing rise of the far right by telling neoliberal fairytales and dividing society by spreading hate.
