R3 AM19: No Future Without Education: Facing Inequalities through Rights and Participation

Proposers Zelena omladina Srbije

Motion text

Insert after line 104:

- **Decommodify higher education by guaranteeing universally free access to public universities and higher vocational education, recognizing education as a public good rather than a market commodity. Ensure that no student is excluded from pursuing academic or professional training because of tuition fees, administrative costs, or the financial burden of housing, food, transportation, textbooks, digital access, and other essential living expenses.**
