R4 AM16: Protecting International Law Against Empires: to Infinity and Beyond

Proposers DWARS

Motion text

From line 6 to 7:

International law should exists to protect everyone, people, animals and ~~states,~~nature especially in an asymmetric geopolitical landscape where many small actors are challenged by

Reason

International law does not protect states. It protects the peoples living in that state, but not the state as an entitiy. Moreover, international law is currently not really working shown by the different examples in this resolution. Therefore, we prefer to say that it **should** as it is not how the situation is now.
