R4 AM20: Protecting International Law Against Empires: to Infinity and Beyond

Proposers DWARS

Motion text

From line 50 to 52:

practices persist, while human rights are inconsistently applied. Protecting international law also means protecting ~~AFAB~~oppressed people and marginalised communities globally.

Reason

Using the term AFAB in this context feels a bit weird and is also very limiting to the scope of oppression and marginalisation we deal with.
