R4 AM23: Protecting International Law Against Empires: to Infinity and Beyond

Proposers DWARS

Motion text

Insert in line 89:

- Strategic autonomy, we shouldn‘t rely on weaponry and external forces. Security is not built upon weapons and militarisation. It’s build on human wellbeing, a strong social system, a functioning democracy, and a healthy climate.

Reason

Power is not just having the biggest gun (or dick). It's about having a society that is resistant. In order to increase our security as the EU we should also focus on other aspects that greatly impact a societies ability defend themselves.
